## 5.0: New Business

5.1 Yvonne asked the committees opinion on having a Folk Night outside in the Killie Beer Garden perhaps late July, Tansy informed us that Lucy had already mentioned this as a possibility and the hotel would be very much in favour of such an endeavour.

It was agreed that to seek further guidance on the legal requirements and restrictions under the Tier 2 arrangements in regard to singing outside solo or in groups, and social distancing. There would be no P.A. as equipment could not be shared.

Yvonne informed us that the choir she is part of can sing outdoors providing the social distancing is adhered to.

Tansy has offered to discuss the restrictions and requirements with Lucy to ascertain if it can be done. ...Action Tansy

5.2 Gordon has set up the Zoom meeting page for the committee meetings such that the participants can click on the link and gain access to the meeting straight away without the need to input I.D. and Password. Gordon also mentioned that it could be set up this way for the Folk Club night and would save him having to allow access to the many participants, the only drawback would be the security of the system, discussions are ongoing.
