4.1 Review of October Folk Night: A great Halloween night with a variety of performers. The Open Mike session took up the allotted time and a fine wee session was held afterwards. Special mention of the witches performance and Davy's Green lady - both first class.

Gordon and Brian will discuss this with Lucy and Martin to ascertain their point of view on this then we can go forward from there. **(Outstanding)**

Another idea put forward was to have the committee meeting on the second Friday of the month at 7:30 followed by a group session in the lounge starting again at 9:00 this to be discussed. (Outstanding)

4.2 Treasurer's Report: The raffle sales for the October Folk night produced £97.00, there was £43.98 of expenses and £1,358.32 was carried forward (October £1,305.30) and with quite a few prizes now in stock there would not be a requirement to replenish them for a couple of months.

4.3 November Folk Night: The theme is International.. The raffle will be sold in the bar by Brian and Dave Cherry with Gordon carrying out the draw as he does so well.

4.4 CBFC Promotion and Publicity:

Folk Club Mugs: Carried over to the December meeting

6.0 A.O.C.B.

Two enquiries from the Football club - firstly can we run a Burns theme night for them on 25th January. They particularly wanted Tam O' Shenter, but Gordon definitely cannot make it. They possibly want to do something on 28th December in the village hall as well. We await a formal request.

7.0 Date of next Meeting and Close: Brian closed the meeting thanking everyone for attending and agreed a next meeting date to be decided.

Brian McAulay (CBFC Stand-in Secretary)
